

Spring has sprung here in the valley and we are excited at Grandma's Pantry. We are busy bagging fresh quality products daily to meet the needs of our customers. For those of you who can visit our store, the shelves are ready and bursting with flavor, and for those of you who can't visit, we are prepared to ship our quality products right to your door.

We have lots of products to meet the special needs of you and your family. We have products for the dieters and diabetics that are sugar free, products for those who have wheat allergies, organic products, spices, candies, cheese, (a few perishable items excluded from shipping) soup mixes, trail mixes, Virginia maple syrup and honey and all kinds of snack foods. Many of our products are the old fashioned kind that you can't find in other stores, like Teaberry gum, Sen Sen, Lem pie filling, and Mallo cups. We also carry helpful products like canning supplies, candy molds, and cookbooks. The list goes on and on. If you are looking for something that you just can't find anywhere else, give us a try and we just might be able to fill your need.

Our friendly staff is always available to help you. You can call our toll-free number at 800-296-2905, access us here on the web, or if you are in the area stop by and visit with us. Introduce yourself and let us know you saw us on the web.

Keep your mailbox open as we continue to send out our newsletter with updates on new products, recipes, nutrition and other helpful information.

We welcome you to Grandma's Pantry where you can fill your pantry with all the supplies you need, just like Grandma used to do.

Thank you for shopping with us at Grandma's Pantry at the Shenandoah Heritage Market in Harrisonburg, VA.
